Claims 1 to 17			
As set forth in documents 2 to 4 cited in the international search report, the speed-reducing mechanism set forth in claim 1 is a known feature.			
It would be within the scope of the normal creative skill of a person skilled in the art to consider employing the aforementioned known feature as the speed-reducing mechanism in the invention set forth in document 1, and doing so would not involve any particular difficulty.			
It would therefore be easy for a person skilled in the art to conceive of the invention set forth in claims 1 to 17 in the light of the inventions and technical features set forth in documents 1 to 4, therefore the
